

GARY CHAMBER OF COMMERCE CELEBRATES WORLD CIVILITY DAY

Gary..... World Civility Day is back and Civility knows no bounds! The Gary Chamber of Commerce is proud to announce that World Civility Day 5 will take place on Thursday, July 8, 2021. We are honored to have as our special guest presenters Democratic U.S. Congressman Frank Mrvan in person and Republican U.S. Senator Todd Young (virtually).

We are excited and delighted to have these legislators representing different parties come together to stress the importance of “The Golden Rule’ and to encourage everyone to exhibit civil behavior in their discourse and in their actions.

As in the past, with the assistance of Dr. Clyde Rivers of I-Change Nations Inc. we anticipate champions of Civility joining us locally, from other states and from other parts of the World.

A full day of activity includes our Civility themed workshops to be held at the beautiful new Dean and Barbara White Community Center, Merrillville, Indiana, starting at 9:30 a.m., limited slots are available on a first come first served basis. Rounding out the day will be dinner and awards at the Avalon Manor Banquets in Merrillville, Indiana.

Mark your calendars. This is an event you will not want to miss. Join us as together we proclaim the great state of Indiana, “The Civility Capitol of the World”!
