To: All Schools, Colleges, and Universities

When you attend the Friday, December 5th, of the Lakeshore Classic, we encourage you to wear your high school or college tee-shirts, sweatshirts, jackets, caps, or simply the colors representing your chosen educational institution. We deem it important for our students to see that you, as parents and community partners, ascended from the same structure and foundation that is currently being provided for them. We want to see as many schools as possible represented and lest we forget It's for the kids.

December 6, 2025 (Saturday)

To: All Greek Organizations (The Divine Nine)

Greek organizations have been a staple of campus life and alumni/community engagement for many years. The positive enrichment in the lives of young people is invaluable. On Saturday, December 6th, we are encouraging you to adorn your attire, paraphernalia, symbols, and any of the trappings that recognize you as a member of one of these noble institutions. Fraternities and Sororities are the essence of mentorship. Let our children see who you are and what you represent. It's for the kids.
