The 17th Annual Lakeshore Classic
December 2, 5-6, 2025
Hard Rock Casino Northern Indiana
West Side Leadership Academy

It's Classic Time!

Our 17th annual Lakeshore Classic is coming soon. As in the past, we are seeking your support for this amazing event. The Classic is an event benefiting the entire region that attracts teams, students, and adults from the state and Chicagoland on Friday & Saturday, December 5 & 6. In addition to stellar athletic play, the Lakeshore Classic has as its purpose to encourage the participants to focus on education, sportsmanship, and CIVILITY, always being the Lakeshore Classic's theme.

On Tuesday, December 2, our Classic Corporate Luncheon will be held at Hard Rock Casino Northern Indiana, where we will feature a prominent guest speaker. The Gary Chamber of Commerce is proud to host events that encourage our young people, provide an outlet for our citizens, and demonstrate that Northwest Indiana is a destination place. Please note: Hard Rock Casino is a facility for individuals 21 years of age or older.

There are several levels of sponsorship and advertising opportunities available, and we are counting on your support. If it is truly about the kids, then it is also about your support to help them achieve future success. Make your business an advocate and a reason why our youth will have a path to achieve their goals. Game tickets are available on Eventbrite.

You can direct all your inquiries to: Chuck Hughes, 219-746-6339, or Jan Bowden, 219-885-7407.

Thank you for your support, and together let's make a difference!

Respectfully,

Charles "Chuck" Hughes
President/CEO
Gary Chamber of Commerce
